## Setup and Syllabus Parsing · 1 Jun to 14 Jun 2026

14 days

Day	Free daily plan	Module add-on
<b>Mon 1 Jun</b>	Binge the Mains Preparation 2026/27 and beyond playlist (20 videos). Fill one A4 sheet, your Answer-Writing Cheat Card, with three boxes: reading a question (the directive verb and scope words), the body skeleton, and the value-add menu (data, scheme, committee, case-law, diagram). Keep it on your desk all year.	· Art of Answer Writing Master Video 1
<b>Tue 2 Jun</b>	Read the official UPSC GS1 syllabus end to end. Against each line, note the angle a question would take, not the topic name.	· Art of Answer Writing Master Video 2
<b>Wed 3 Jun</b>	Read the official UPSC GS2 syllabus end to end the same way.	· Art of Answer Writing Master Video 3
<b>Thu 4 Jun</b>	Read the official UPSC GS3 syllabus end to end.	· How to use 2021-26 Answers?
<b>Fri 5 Jun</b>	Read the official UPSC GS4 syllabus end to end. Mark every line you cannot yet frame a question around.	· Re-watch Art of Answer Writing Master Video 1
<b>Sat 6 Jun</b>	Parse GS1 Art and Culture and History: for each sub-topic write one line on the angle UPSC tests, then add one recent example you can cite. Unlocking your UPSC Potential shows the method.	· Syllabus Parsing GS1 Art and Culture
<b>Sun 7 Jun</b>	Parse GS1 Society, Geography and Disaster Management the same way.	· Syllabus Parsing GS1 Society
<b>Mon 8 Jun</b>	Parse the GS2 Polity and International Relations syllabus: one line on the angle UPSC tests per sub-topic, plus one recent example you can cite.	· Syllabus Parsing GS2 Polity
<b>Tue 9 Jun</b>	Parse the GS2 Social Justice and GS3 Economy and Science and Technology syllabus the same way.	· Syllabus Parsing GS2 Social Justice
<b>Wed 10 Jun</b>	Parse the GS3 Internal Security and GS4 syllabus; for GS4 start from common sense, not a perfect definition.	· Syllabus Parsing GS4 Ethics Master Video · Studying Ethics Master Video
<b>Thu 11 Jun</b>	Revisit Unlocking your UPSC Potential, Don't Memorize GS3 and UPSC Ethics Answer Strategy; write the five moves Neil sir repeats: how he opens, builds the body, adds value, closes, and the traps he flags.	· Re-watch the Art of Answer Writing master video that fits your gap
<b>Fri 12 Jun</b>	Draw a one-page cross-paper map: link each GS1-4 sub-topic to the others it naturally connects with.	· Re-watch the relevant Syllabus Parsing segment
<b>Sat 13 Jun</b>	Consolidate the syllabus-parse notes into a single tabbed reference you will grow all year.	· Re-watch any Syllabus Parsing segment you found hard
<b>Sun 14 Jun</b>	Pick one publicly available topper script. GS4 Ethics Sherlocking shows how to read it skeleton first and lift reusable structure. Note five you can reuse.	· Analysing a Successful Aspirant's Script GS1 1st

## Polity standalone prep · 15 Jun to 28 Jun 2026

Read and PYQ mapping

14 days

Day	Free daily plan	Module add-on
<b>Mon 15 Jun</b>	Read Polity against past papers. Unlocking your UPSC Potential lays out the 5-step PYQ method. Make flash notes per topic, each tagged with the PYQ year that asked it.	· Syllabus Parsing GS2 Polity
<b>Tue 16 Jun</b>	Read Polity; map the three organs and how each checks the others, with two examples per check.	· Re-watch Syllabus Parsing GS2 Polity
<b>Wed 17 Jun</b>	Read Polity; cover the federal structure and Centre-State financial relations.	· Re-watch Syllabus Parsing GS2 Polity

Day	Free daily plan	Module add-on
